

AdBudz YouTube Promotion

YouTube Promotion Types

Skippable In-Stream Ads

These ads appear before, during, or after a video and can be skipped by viewers after 5 seconds. Ideal for reaching a broad audience while giving them the option to continue to their content quickly.

Non-Skippable In-Stream Ads

These ads appear before, during, or after a video and must be watched in full before the viewer can proceed to the content. Perfect for delivering a complete message when viewer attention is guaranteed.

Bumper Ads

Short, non-skippable ads of up to 6 seconds that appear before, during, or after a video. Effective for quick, impactful messages and brand reinforcement.

Overlay Ads

Semi-transparent ads that appear on the lower 20% portion of a video, available only on desktop. Useful for non-intrusive branding and call-to-action prompts of images.

Display Ads

These ads appear to the right of the feature video and above the video suggestions list. They are great for visibility and attracting attention alongside related content.

Sponsored Cards

Ads that display content relevant to the video, such as products featured in the video. These are engaging and provide additional value to the viewer by linking directly to relevant products.

Masthead Ads

Premium ads that appear at the top of the YouTube homepage for 24 hours, available on a reservation basis only. Ideal for massive reach and brand awareness, making a significant impact.

Discovery Ads

Ads that appear on the YouTube search results page, alongside related YouTube videos, and on the YouTube mobile homepage. Excellent for targeting viewers actively searching for related content.
